

2020 Annual Training Conference

"A Bridge to Partnership"

Wednesday-Thursday, February 12-13, 2020
South San Francisco Convention Center

REGISTRATION

The Conference is designed primarily for law enforcement personnel, representatives from retail and restaurant companies and retail crime solutions providers. All registrations are subject to review and denial at the discretion of the Conference (i.e. incorrect registration type, non-payment of required fee).

Register online at <https://cal-orca2020.eventbrite.com>.

Please direct registrations questions to Mark Lorimer at mark@eventivegroup.com.

Registration Fees

\$0	Law Enforcement - CAL-ORCA Members
\$25	Law Enforcement - Non-members* * Non-members are invited to become CAL-ORCA members (free membership) before registering for the Conference in order to get the FREE conference registration
\$125	Retail / Restaurant Representative
\$750	VIP Registrant - Pre-approved by Conference
\$750	Security Solutions Provider / Private Security Representative

Registration Types

Active Law Enforcement - CAL-ORCA Member

Select this registration type if you are an active law enforcement executive/officer and are a member of CAL-ORCA. You will be prompted to insert your CAL-ORCA membership email address to verify member status.

Active Law Enforcement - Non-Member

Select this registration type if you are an active law enforcement executive/officer and are not a member of CAL-ORCA. Visit <https://cal-orca.org/> to sign up for a free membership. Once you have signed up for a membership, select the "CAL-ORCA Member - Active Law Enforcement" ticket above. If you prefer not to become a member at this time select this registration type.

Retail / Restaurant Representative

Select this registration type if you represent a security/loss prevention department within a retail or restaurant company (does not apply to companies providing security solutions, products, and services, including private security services, technology/equipment, consulting services, etc).

VIP Registrant

Select this registration type if you have been pre-approved as a VIP registrant (speaker, VIP guest).

Security Solutions Provider / Private Security Representative

Select this category if you represent a company that provides retail/loss prevention products and services or private security services to law enforcement agencies and/or retail/restaurant companies.
